MEDICINAL

There was a cry in the streets. People rushed from their doors and strained their eyes on the struggling balloonist fighting for life. Even the poor, panting sufferer in the sick room was forgotten while the family gazed breathless at this strange tragedy of the air. Then they went back to the sick room to tell of the terrible struggle for life they had just witnessed. It did not occur to them that under their very eyes a more terrible, more pathetic struggle was going on daily.

There can be nothing more pitiful than the struggle the consumptive makes against disease. The greatest help in this struggle is gained by the use of Dr. Pierce's Golden Medical Discovery. It cures obstinate coughs, weak and bleeding lungs, emaciation, and other ailments which if neglected or unskillfully treated find a fatal termination in consumption.

"In 1861 one of my daughters was suffering on account of a severe cold, hoarse throat, wasting of flesh and other symptoms of diseased lungs," writes Rev. Joseph H. Pepperman, of Barren Springs, Ireland Co., N. C. "I promptly gave her Dr. R. V. Pierce's Golden Medical Discovery with gratifying success, and she now enjoys excellent health. This being true, I hereby heartily endorse your medicines."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

Dr. Pierce's Pleasant Pellets assist the action of the "Discovery."

CATARRH Nasal Catarrh

In all its stages there should be cleanliness. Ely's Cream Balm cleanses, soothes and heals the diseased membrane. It cures catarrh, drives away a cold in the head quickly.

CREAM BALM is placed into the nostrils, spreads over the membrane and is absorbed. Relief is immediate and a cure follows. It is not drying—does not produce sneezing. Large Size, 50 cents at drug stores or by mail. Trial Size, 10 cents by mail. ELY BROTHERS, 66 Warren Street, New York.

Can't you eat? Here can. Latest improvements in Teeth. Our patent suction Never falls down. Call and have a set with the above improvements. Old loose and ill-fitting plates corrected in fit, durability and comfort perfectly true to nature.

DR. W. F. HUTCHINSON, Dentist, Corner Prince and Washington Streets, Office Formerly Occupied by Dr. Fawcett.

THE APPROACHING ELECTIONS.

Forty-two States will hold elections next Tuesday. Maine, Vermont, and Oregon have already chosen their State officials and their representatives in the 58th Congress. Nine States will elect Congressmen only; 11 will choose minor State officers and congressmen, while the other 22 will elect governors, and other State officers and congressmen. Governors and other public officers are to be chosen in Massachusetts, Rhode Island, Connecticut, New York, South Carolina, Alabama, Texas, Michigan, Kansas, Minnesota, South Dakota, Nebraska, Wisconsin, North Dakota, Colorado, Wyoming, Idaho, Nevada, and California. New Hampshire elects only a governor. Tennessee a governor and railroad commissioner, and Pennsylvania a governor and two other State officials. Minor State officials or justices of the Supreme Court are to be voted for in Indiana, Illinois, Missouri, Ohio, Iowa, Florida, North Carolina, Delaware, Utah, Washington and Montana. Congressmen only are to be selected in Arkansas, Georgia, Mississippi, Louisiana, Virginia, West Virginia, Maryland, Kentucky and New Jersey. Governors in Arizona, Hawaii, New Mexico, Oklahoma and Porto Rico. The terms of thirty U. S. Senators expire March 4, 1903. Five have already been filled by the election of James McCreary (dem), Kentucky; Joseph B. Foraker (rep), Ohio; Arthur P. Gorman (dem), Maryland; W. P. Dillingham (rep), Vermont; and Samuel D. McEnery (dem), Louisiana. Aside from the republicans and the democratic parties, a dozen others have tickets in the field. Of the minor organizations the prohibitionists and the socialists have more than the others. The prohibitionists have made nominations in 20 states while the socialists are represented in 17, and the socialistic labor party 9. Other parties in the field are the social democrats and peoples, the populist, the allied populist, the labor, the public union, the liberal democrat and the union republican.

SOLDIERS ATTACKED.

Organized workmen employed on a skyscraper which the George A. Fuller Company is erecting in Pittsburgh, Pa., committed an organized assault on the Fourteenth Regiment yesterday on its return from the anthracite coal fields. As the regiment marched past the building, which has reached the height of the twentieth story, stones, clubs, pieces of scuffling, and hunks of concrete were hurled down on the men. Last night the officers of the Fourteenth and Eighteenth Regiments held a meeting, denounced the act, and called on the authorities to punish the guilty. The assault was made regardless of the crowd on the sidewalks. It was evidently premeditated, for the workmen had heaped up a pile of missiles enough to enable them to keep up the throwing while the regiment was passing. Fortunately nobody was seriously hurt. When Company D reached the spot the men stopped and placed their rifles at ready, prepared to shoot. Two or three of the men put their guns to their shoulders, but an order from the captain prevented possible bloodshed. The workmen could be seen hanging out from the window openings of the building, shouting and jeering. In speaking of it afterward Captain Shields said: "This is the first time in the history of the regiment that such a thing happened. When we left Manassas Tuesday the miners escorted us to the depot and cheered us. In fact, they seemed sorry to see us go."

A HEINOUS CRIME.—James Mullins

and "Son" Mullins, who together with the notorious outlaw George Potter, were indicted some months ago in Dickinson county, Va., for criminally assaulting Misses Cora and Sallie Wallis, have just been convicted and given eight years in the penitentiary. Potter, who was one of the leaders of the Jim Wright gang of bandits, was killed in Russell county, Ky., two months ago while resisting arrest. The crime for which the Mullins brothers, who are both desperate men, have just been sentenced, was one of the most brutal in the State's history. These men, with Potter, went to the home of James Wallis, a farmer, and emptied their pistols over the head of Wallis's wife, frightening her almost to death. While Wallis had gone to give an alarm to the neighbors the three men carried his daughters, Cora and Sallie, aged 16 and 17, respectively, into the woods, where they kept them all night. The girls were left in the woods the following day, more dead than alive, and their assailants escaped over the line into Kentucky. Mobs scoured the country for several weeks, vowing they would lynch the men if caught. Potter was afterward killed, and the Mullins brothers eluded arrest until six weeks ago, when they were captured in Kentucky and taken to Dickinson county. Feeling has been very strong against the men, and it had been repeatedly reported that they would never live to be tried in court.

SUICIDE OF JOHN A. MORGAN.—John

A Morgan, sixty-three years of age, a prominent citizen of Berkeley, Va., and father of Mrs. C. H. Caskie, of New York, and Mrs. John Harker, whose husband is of the big New York lumber firm of Wiley, Harker & Co., committed suicide in Berkeley yesterday morning by sending a pistol bullet through his head. He was alone at the time and a colored servant girl found his body in a pool of blood. The suicide left several letters, two of which are to his wife, now at the home of her daughter, in New York. He left a note asking T. B. Jackson and George Lacy, of Norfolk, to accompany his body to Hartford, N. C., because "they were such gallant and unshorn Confederate soldiers." Mr. Morgan, who had been a reform democrat, quarreled last week and came to blows with R. H. Dagby, editor of the Norfolk county Times, an anti-reform paper. Newspaper accounts made it appear that he had acted in a cowardly manner and this is believed to have led to his suicide. He left other notes saying: "If my death can possibly clear the waters of Norfolk county politics, as I have been frequently told it would, that result will soon follow."

THREE COLORED GIRLS SLAIN.—

Mary, Sophie and May Gibson, aged seventeen, twelve, and ten years, respectively, daughters of Thomas Gibson, a prosperous negro farmer, were killed, and one of them was the victim of a criminal assault at their home near Wynne, Ark., Tuesday. The murders occurred while Gibson, the father, was away from home attending a circus, leaving the three girls alone in the house. Upon his return he found the bodies of two of the girls with their heads crushed, while the body of the third lay in the yard terribly mutilated. The girl had been subjected to the most atrocious indignities. Posses, composed of both blacks and whites, were formed, and David Cross, an old negro, was arrested. Cross denied all knowledge of the crime, but finally confessed that he had witnessed the killing, and said that a negro named Johnson was the guilty man.

KILLED HIS WIFE.—Charles Hooper,

of Independence, Kan., shot and instantly killed his wife and then ended his own life yesterday. The affair occurred in the postoffice building. Hooper and his wife were married about ten years ago, but separated some years after. Later a reconciliation was brought about, but Mrs. Hooper secured a divorce recently on the ground of non-support. She was also given the custody of their children, but the husband, it is said, took them from her. It was while Mrs. Hooper was consulting a lawyer about getting her children back that the two met. As they stepped out into the hall the shooting occurred.

Old People Have Their Troubles.

Mr. Francis Little of Benton Harbor, Mich., is over eighty years of age. Since 1865 he has been troubled more or less with indigestion and constipation and has tried almost everything in use for those ailments. Last August he began using Chamberlain's Stomach and Liver Tablets and was soon feeling much better. In a recent letter he says: "I have used three boxes of the Tablets and now think I am well." These Tablets improve the appetite and invigorate the stomach, liver and bowels. For sale by Richard Gibson, druggist.

Natural Anxiety.

Mothers regard approaching winter with uneasiness, children take cold so easily. No disease costs more little lives than croup. It is so sudden that the sufferer is often beyond human aid before the doctor arrives. Such cases yield readily to One Minute Cough Cure. It liquefies the mucus, always inflammation, removes danger. Absolutely safe. Acts immediately. Cures coughs, colds, grip, bronchitis, all throat and lung trouble. F. S. McMahon, Hampton, Ga.: "A bad cold rendered me voiceless just before an oratorical contest. I intended to withdraw but took One Minute Cough Cure. It restored my voice in time to win the medal." For sale by E. S. Leadbeater & Sons.
